Gonkar GYATSO, Tibet
HUANG Rui, China
Lindy LEE, Australia

This group of artists share the commonality of Eastern philosophies in their works whether through meaning, iconography or in their making. *Within Emptiness* looks towards serenity within absence. It is through their simplicity that the works speak.

Exhibition runs from 23 November to 15 December 2010 at 10 Chancery Lane Gallery, Central.

Artist Huang Rui will be present for the opening reception. For interview and enquiry: geraldine@10chancerylanegallery.com or call +852 2810 0065.
